Beginning of the Year

Bollinger reads

GOOD MORNING, TEAM TOPE! Take a moment to breathe in, breathe out and settle in for a few minutes.

We have been talking about Standard Operating Procedures A LOT! We continue to review our rules and expectations and we will continue throughout the year... BUT, now is the time to make the transition to understanding that it is your responsibility to remember and follow the rules. This is called ownership—YOU OWN YOUR BEHAVIOR. You own your actions as safe, respectful and responsible learners.

It is not easy to own our behavior when we make mistake or break a rule. I get it! But, in order to move forward and grow and learn from a mistake YOU HAVE TO FIRST ACCEPT RESPONSIBILITY. You have to own it. You have to say, YES, I made a mistake and then... You move forward.

As you walk down your path of awesome, follow our SOPs and when you make a mistake or break a rule—OWN it! Learn from it and MOVE FORWARD.
