Beginning of the Year! Developing a vision

GOOD MORNING, TEAM TOPE! Take a moment to breathe in, breathe out and settle in for a few minutes.

Today, we are going to continue to visit our school's vision. A vision helps us create purpose, define what success will look like and guide us into the future. It is what connects us and brings us all together.

Our school vision is~

**ENGAGE with confidence;**

**EQUIP with knowledge;**

**EMPOWER for lifelong learning and innovation.**

Today we are going to talk about the first part of our vision- Engage with confidence. As a STEAM @ Tope learner, we want you to engage. Engage means to participate or become involved. Confidence means that you believe in yourself. Every single human (big or small) works on their confidence on a daily basis! When I am not feeling confident, I stand tall, breathe and tell myself—YOU GOT THIS!

As you walk down your path of awesome, think about the ways that you can become involved at school and in our community... and MOST IMPORTANTLY, DO IT WITH CONFIDENCE! YOU HAVE TO BELIEVE IN YOURSELF.
