

Help us bring ART into your child's classroom with Art Heritage!

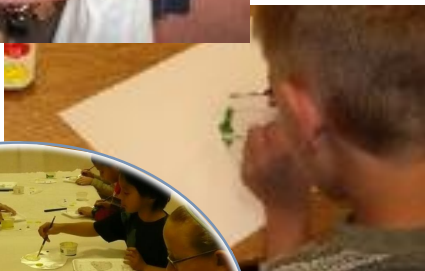

No art experience necessary! You will be trained and provided the supplies for each project.

If you volunteer with Art Heritage you will:

- ◇ *Be a hero in your school*
- ◇ *Learn and present information about a variety of artists and their styles*
- ◇ *Teach children problem-solving skills they'll use the rest of their lives*

To learn more about the Art Heritage Program at your school, please visit our website:

www.artheritageprogram.org

or fill out the form at the bottom of this page and leave it with your teacher or the school office.

Your name: _____
