GOOD MORNING STEAM @ TOPE FAMILY! Take a moment to breathe in, breathe out and settle in for a few minutes.

It is that time! We have learned our SOPs and we have reviewed them and now it is time to take responsibility for our own behavior! We are going to COLLECTIVELY use 3 magical questions to help us all keep on track. The cool thing about these 3 questions is—you can ask yourself these questions OR you can ask someone else to help them think about whether or not they need to self-regulate. Staff members will be using these three questions to help us all out as well.

THE THREE MAGICAL QUESTIONS are~ 1) What am I doing? 2) What am I supposed to be doing? 3) Why am I not and how do I begin? SIMPLE, YET EFFECTIVE!

You are going to watch a cute video where two boys get into some trouble. I am sure they were having a grand time, but the outcome is a GIANT MESS! At some point they should have asked themselves the 3 magical questions... I wonder how the outcome would have changed...

As you walk down your path of awesome, use these three magical questions to help you stay on check and follow all standard operating procedures.
