WELCOME TO STEAM WEEK! DAY FOUR ART

GOOD MORNING STEAM @ TOPE FAMILY! Take a moment to breathe in, breathe out and settle in for a few minutes.

We are STEAM @ Tope Elementary! EVERY ONE OF YOU IS A VERY IMPORTANT PART OF THIS SCHOOL-- YOU BELONG HERE! Tomorrow, we will finish our MAKERSPACE SOPs which means EVERY SINGLE CLASSROOM WILL HAVE THEIR LICENSE TO ACCESS AND UTILIZE THE MAKERSPACE! HOW EXCITING IS THAT????????? TODAY we are investigating the A in STEAM-- ART!

Art is an activity or creation by people that has importance because of an attraction to the human **senses**. Art is made when a human expresses himself or herself. Some art is useful in a practical sense, such as a sculptured clay **bowl** that one can put things in. Many people are driven to make art due to their inner **creativity** and the need to express themselves. Art includes not only **drawing, painting, sculpting, photography**, BUT THE **performance art, dance, music, poetry, prose** and **theatre** as well.

You are very fortunate to have art as a class here at STEAM @ Tope with Mrs. Foster, thanks to a grant that we have and our PTA! Also, our very own Mr. Cantrell offers multiple ways to access art through music and performing arts! ANDDDDDD... Did you know that Ms. Johnson is an amazing dancer and performer? Perhaps, she will perform for us sometime! Alsooooo.... Mrs. Hanosh can sew and quilt beautiful blankets. Ms. Swanson can build, design and construct furniture. Prior to teaching, Ms. Robison did interior design!

As you walk down your path of awesome, think about how you are expressing your innermost creativity? How are you finding ways to look around and appreciate the beauty out there that exists in art?
