

## MORNING ANNOUNCEMENT- GROWTH MINDSET

Tuesday, October 12,2021

Bollinger reads

GOOD MORNING TOPE FAMILY! Take a moment to breathe in, breathe out and settle in for a few minutes. (PAUSE) Yesterday, we had an AMAZING opportunity to come together and take a photograph commemorating Tope's 80th birthday! THIS PHOTO WILL GO DOWN IN HISTORY! Thank you to our second graders who are working on finding ways to capture Tope's history in their PBL.

I met with some friends last week to talk about specific ways to be a hero. These friends are learning about how to appropriately solve conflict and demonstrate respect outside! They also learned a new sentence to help confront others who are not being safe, respectful and responsible. This simple sentence is—HEY, THAT IS NOT OK! When you see something unsafe, disrespectful or irresponsible happening-- you should say something! You will feel better about yourself for standing up for what is right. I look forward to seeing this happen!

I challenge you to make this Tuesday a great one. Practice our school-wide expectations for behavior- Be safe, be respectful and be responsible. As you walk down the hallway, stand up straight, smile and be friendly. As you are outside at recess, include all your friends in activities. In the classroom—focus on your learning, be respectful of your teacher, and be responsible for your work. GO ABOVE AND BEYOND as a HERO AT TOPE.

Today, I am feeling like we all could use a little kid president!

Those who are on the path to awesome are Those of you who can accept this challenge and work to be the best possible human you can be! BE AN EVERYDAY HERO TODAY!
