WE ARE FAMILY- SOPs HANDWASHING AND MASKS

GOOD MORNING, STEAM @ Tope Family! Take a moment to breathe in, breathe out and settle in for a few minutes.

WELCOME BACK! I hope that you all had a fabulous break! We are excited to see you! I cannot believe that tomorrow we begin the month of December, can you??? December's words of the month are COMPASSION AND CARE! At the beginning of the year we talked about our STEAM @ Tope FAMILY. We are all part of this STEAM @ Tope Family and together we take care of ourselves AND we take care of each other. WE ARE FAMILY!

It is time to review a few STANDARD OPERATING PROCEDURES, also known as SOPs. Standard Operating Procedures help us all understand step by step instructions for how we continue to carry out our jobs as AWESOME HUMAN BEINGS here at Tope Elementary and really for the rest of our lives.

Last year, our third grade classes completed a PBL on how to fight against bacteria and viral illness by protecting ourselves and others in order to decrease absences. Absences prevent you from accessing your education~! Because we are in the cold and flu season, it is important to review how important it is to stay healthy. ONE VERY EASY WAY to do this is to wash your hands!

As you walk down your path of awesome... REMEMBER YOU ARE A PART OF THE STEAM @ TOPE FAMILY! Washing your hands is one thing that will help us stay healthy and take care of each other.
