Hello Wonderful STEAM @ Tope Families!

It has been an absolute pleasure welcoming families back into the building! Thank you for being a part of our STEAM @ Tope Family! We look forward to many more upcoming events with you!

PTA recently met and discussed ways to bridge the gap between parents, school and staff now that protocols have been lifted. We are looking at several ideas and thoughts. We are investigating the potential of a peach selling fundraiser for the future, a BBQ at the end of the month and the upcoming STEAM Night! We hope you consider joining a future meeting. Our next meeting is March 8th from 4:15-5:15 in the library!

Our amazing crossing guard will be out for an unexpected amount of time. We are in need of some support! We were so appreciative of all of you who came to our aid when we were short staffed in the kitchen. If you have your background check and have filled out a volunteer form, please consider helping us out with crossing guard duty. We would LOVE to have some of our watchdog dads support if available! Below is a link for our schedule of need. We are so very grateful for any help that is available. THANK YOU SO MUCH!

Walnut Crosswalk Duty Sign-up

The times needed are as follows:

A.M. 8:35 am - 8:50 am (bell)

P.M. 4:00 pm (bell) - 4:10pm

Friday P.M. 2:00 pm (bell) - 2:10 pm

Create a beautiful life at home with your child,

Carrie Bollinger

CURRENT PBLs- updates to come!

KINDERGARTEN - Steam at Tope kindergartners need a way to reinvent our cafeteria space so that it can be used for multiple opportunities to inspire 21st century learning.

1ST GRADE - STEAM at Tope learners need a way to respect and honor our first responders so that they feel supported within our community.

4TH GRADE - Steam @ Tope 4th graders need a way to use our water resources more wisely in our homes and schools to lessen the impact of water scarcity in our community.

HOMEWORK FOR ILLNESS RELATED ABSENCES

In an effort to respond to the illness related absence protocol shifts, we have created a new system. We will no longer provide Chromebooks and homework packets in the office. You will find an attachment at the end of this document. This attachment will give the HOMEWORK assigned for each grade level in the event that your child is absent. This "HOMEWORK MENU" will be set for the rest of the year. If you want additional work, you may contact your child's teacher with an individual request. A HOMEWORK MENU will be provided to each parent at their child's individual conference. ***If your child is on an Individualized Education Plan, their case manager will contact you to notify you when work is left in the office. THANK YOU FOR HELPING YOUR CHILD STAY ACTIVE IN THEIR LEARNING IN THE EVENT THAT THEY ARE UNABLE TO BE AT SCHOOL.
